Genuine Accessories

INTRODUCTION

Ten years after it first appeared in the Honda range, the CR-V is still delivering excellence. With a newly expanded range of Honda Genuine Accessories that excellence is set to continue. Each accessory is carefully designed and selected to integrate fully into the CR-V's stunning lines and practical functionality. As you'd expect from Honda, each is developed, tested and manufactured for safety, security and durability in order to meet Honda's exacting standards of quality and reliability.

Exterior

1. Parking Sensors

Eliminate those potentially expensive minor repairs with the addition of Parking Sensors, 4 front and 4 rear. These Premium Parking Sensors integrate fully with the CR-V's front and rear bumpers to detect otherwise invisible hazards in tight parking manoeuvres.

2. Front Upper Grille & Lower Grille Garnish

To add an elegant touch to the CR-V's already stylish front, Honda Genuine Accessories have developed a Chrome Front Upper Grille. The lower grille is further enhanced, with the addition of a chrome garnish. Both elements have been styled to match perfectly with the CR-V's bodywork.

3. Skid Plates

For an even more rugged look and to protect the underside of your CR-V, Front, Side and Rear Skid Plates are available, made from durable aluminium. Additionally, the Front and Rear Skid Plates are compatible with Parking Sensors, as well as Fixed and Detachable Trailer Hitches.

4. Fog Light Garnish

To create a more stylish finish to your CR-V, add a Genuine Accessories Fog Light Garnish. With two colour options – Alabaster Silver or Crystal Black – there's a colour to suit your style perfectly.

5. Side Body Trims

Add stylish protection to the side of your CR-V with colour-coordinated Body Trims.

Sports Suspension

For CR-V drivers who prefer a sportier ride and a quicker steering response. Sports Suspension, featuring progressive springs, gives a lower, sportier look while enhancing driving performance.

Door Visor

For extra fresh-air without rain or draught, Door Visors will let you keep the windows open in comfort. This Accessory is manufactured from tinted, hard-wearing plastic with a chrome garnish integrating fully with your CR-V's standard window garnish.

Side Step

For a simple step up into your CR-V, Side Steps offer a stylish and practical Accessory. Available in a silver finish, it's a rugged enhancement to your car.

Running Board

The black Running Boards combine functionality and design. End-caps can either be left black or painted to offer a smooth integration with your CR-V's bodywork.

Exhaust Pipe Finisher

CR-V offers two Exhaust Pipe Finishers that are perfectly formed and manufactured from durable stainless steel. A new, round version is now available alongside the oval-shaped option.

Aero Pack

1. Front and Rear Aero Bumper

Front and Rear Aero Bumpers have been given a sporty re-design to match the new CR-V's bumper. With a chrome garnish on the corners, the Aero Bumpers use the same fixing points as the CR-V's standard items for a perfect fit.

2. Wheel Arch Mouldings

Colour-coordinated Wheel Arch Mouldings complete the lines of the new Aero Bumpers of your CR-V. (for cars with standard black bumpers)

3. Tailgate Spoiler

To complete the CR-V's Aero Pack, a Tailgate Spoiler will add the perfect finishing touch. A stylish and sporty addition to your CR-V.

Audio & Electronics

Rear Entertainment System

To pass the time more easily on longer journeys, Honda's Rear Entertainment System will keep all rear-seat passengers – young or old – fully entertained. The system plays DVDs or CDs and is compatible with USB devices and able to play DivX, audio or video files. When the journey is over, the system can be easily removed for the entertainment to carry on indoors.

Hands-free Telephone system (HFT) by Bluetooth®

Honda's easy-to-operate hands-free telephone technology allows you to call in safety and comfort, operating through your CR-V's speakers.

Blue Ambient Footlight

A really cool and stylish way to add atmosphere to your CR-V's interior, is through the addition of front and rear Blue Ambient Footlights.

Honda Accessories navigation systems

1. Compact Navigation

For CR-Vs without an in-dash navigation system, there is a compact solution which integrates perfectly in your car's dashboard. Featuring a unique attachment bracket with charging function Honda's Compact Navigation guarantees safe fixation, minimizing theft prevention and maximizing your range of view.

2. Honda Solid State Drive (SSD) Navigation

Offering full audio functionality including Hands-free Telephone technology by Bluetooth®, Honda's 8Gb SSD Navigation System guarantees high-speed route calculation while integrating perfectly into your CR-V's dashboard.

Options: - USB connectivity
- Parking Aid Camera

3. Honda Hard Disk Drive (HDD) Navigation

Honda's 40Gb Hard Disk Drive Navigation offers even faster route calculation, full audio functionality including Music Catcher®, a higher resolution screen and integrates seamlessly into your CR-V's dashboard.

Options: - iPod® connectivity
- Hands-free Telephone technology by Bluetooth®
- Parking Aid Camera

Interior

Privacy Shades

The made-to-measure Privacy Shades protect children from the blinding effects of strong sunlight and prevent small hands from throwing objects out of the windows. They can be quickly mounted or removed and protect personal property in the rear of the vehicle from unwanted attention.

Doorstep Garnish

The Illuminated Doorstep Garnish offers stainless steel protection for front and rear door sills and features the CR-V logo. The Doorstep Garnish is also available in a non-illuminated version.

Sports Pedals

Add a sporty touch to the interior of your car. Sports Pedals offer non-slip functionality and feature the CR-V logo on the foot rest.

Auto Dimming Mirror

The Auto Dimming Mirror reduces strain on the driver's eyes from headlamp glare in the rear-view mirror, improving night-time safety.

Protection & Utility

Floor Carpets

Floor Carpets come in a Standard and Elegance version. Lipped Rubber Mats keep water and dirt contained even more effectively.

Trunk Tray

The Trunk Tray protects your CR-V's cargo area and has been designed to fit the trunk shape perfectly.

Cargo Mat

The Cargo Mat protects your standard carpet and has been designed to match your cargo area perfectly.

Dog Guard and optional Cargo Space Divider

The perfect way to give dogs their own space whilst separating them from luggage or groceries. These Accessories are tailor-made to fit the CR-V and maximise the available space in the trunk area – offering safe and secure transport of pets and other items.

Transparent Door Handle Protection Film

After time, the area behind door-handles can become scratched. A set of Transparent Door Handle Protection Film will prevent scratches inflicted by keys, nails and other sharp objects.

Carrying & Towing

Roof Rack

Add to the versatility and carrying capacity of your CR-V with a stylish, black Roof Rack. It will increase your load capabilities and the comfort of your passengers. The Roof Rack will carry a maximum load of 75kg and a range of attachments will cater for skis, bicycles and other popular items.

Trailer Hitch - Fixed and Detachable

The CR-V's Detachable Trailer Hitch has been completely re-designed with only the housing now visible. It boasts a fully automatic locking system and combines perfectly with the Rear Aero Bumper or Rear Skid Plate. The Trailer Hitch is also available in a fixed version.

Bicycle Carrier for Trailer Hitch

This new Bicycle Carrier offers single handed operation to fix quickly and easily to the vehicle's Trailer Hitch. Featuring a clever, corrugated tube to protect the harness from damage, the Bicycle Carrier tilts to offer unhindered access to the trunk area. Further, it is lockable keeping the bikes and the carrier securely in place overnight or on longer journeys.

Alloy Wheels

Honda Genuine Accessories offer an impressive range of stunning Alloy Wheels designed specifically for the CR-V. However, it's about more than just looks, as each Alloy Wheel undergoes comprehensive vehicle-specific testing to ensure safety, fitment and durability.
