**THE BMW 3 SERIES.
ORIGINAL BMW ACCESSORIES.**
JOY HAS BOUNDLESS POSSIBILITIES.

JOY IS PERFORMANCE IN ALL ITS FORMS.

Power, responsiveness, dynamism – in the BMW 3 Series, you can enjoy every aspect of performance. And with the comprehensive range of Original BMW Accessories, you can put your own personal stamp on the experience.

Complementing the wide selection of factory-fitted optional equipment available, Original BMW Accessories let you customize your BMW to your personal tastes and requirements after you've bought it. From exterior to interior, and from communication & information systems to transportation & luggage solutions, now you can have your BMW 3 Series just the way you want it – and experience the joy of performance in all its forms.

BEAUTY THAT'S MORE THAN SKIN-DEEP.

ORIGINAL BMW EXTERIOR ACCESSORIES.

1 Rear spoiler in body colour

Available for the BMW 3 Series Convertible, Coupé and Saloon. Adds a sporty touch.

1 Star spoke composite wheel 179

Cast alloy wheel, 19-inch size. Two-part with titanium bolts, burnished.

2 Star spoke 311 (see also front cover)

Cast alloy wheel, 19-inch size.

3 Star spoke 311 in chrome

Cast alloy wheel, 19-inch size.

4 Star spoke 199

Cast alloy wheel, 19-inch size.

5 Radial spoke 190

Cast alloy wheel, 19-inch size.

6 Radial spoke composite wheel 198

Cast alloy wheel, 19-inch size. Two-part with titanium bolts, burnished.

7 Mud flaps

Protect your car and the vehicle behind you against dirt and loose chippings. Available for both front and rear wheels.

8 Star spoke 199 in black

Cast alloy wheel, 19-inch size.

Star spoke 230 (see p. 24, Fig. 1)

Cast alloy wheel, 19-inch size.

Black Line rear lights (see p. 24, Fig. 1)

Slightly darkened and framed in fine grey. They make the rear end of the BMW 3 Series particularly striking. Available for certain models only.

9 M cross spoke composite wheel 101

Cast and rolled alloy wheel, 19-inch size. Two-part with titanium bolts, burnished.

10 Radial spoke 216 (see also p. 2)

Cast alloy wheel, 18-inch size. With BMW Motorsport lettering. Developed in conjunction with BMW Motorsport engineers, this alloy wheel is tailored to the design of the BMW 3 Series. It delivers a unique combination of reliability, resilience, precision and performance.

Wheel bolt locks (not shown)

The special BMW locks offer excellent protection against theft. Bolts can only be removed using a special tool, which is supplied with the locks.

11 Snow chains

The snow chains have been specially adapted for use with BMW tyres. They are easy to fit, and offer optimum grip on snow and ice.

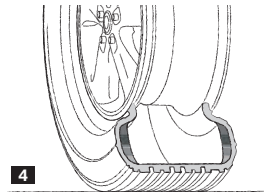

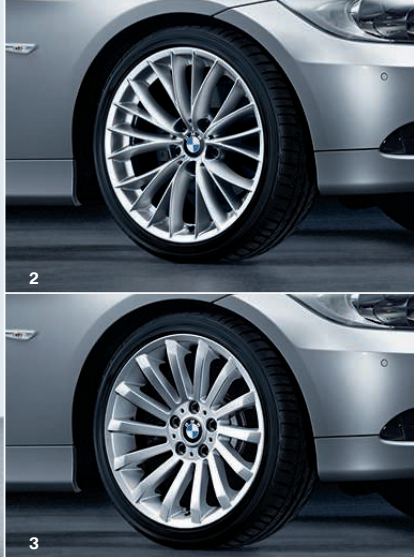

Winter wheel-and-tyre sets (not shown)

Available in 16 and 17-inch sizes.

➤ For more information about the range of wheel-and-tyre combinations and winter wheel-and-tyre sets, please see the Accessories section of the BMW website.

All wheels feature runflat tyres.

4 Runflat tyres

In the event of a puncture, runflat technology uses specially reinforced tyre sidewalls, made from a highly heat-resistant rubber compound, to prevent depressurized tyres from sliding off the rims. So, even in the event of a complete loss of tyre pressure, the vehicle can continue without the need for a tyre change. Depending on the vehicle's load and the damage to the tyre, it can continue at a maximum speed of 80 km/h for a further 150 to 800 kilometres.

5 Double spoke 195

Cast alloy wheel, 18-inch size.

6+8 Aerodynamic kit in body colour

Front and rear aprons finished in body colour give the BMW 3 Series Coupé and Convertible an even sportier look. For vehicles manufactured up to March 2010.

6 Front grille in black

The surround and longitudinal bars of the kidney grille are in black, emphasizing the dynamic styling of the BMW 3 Series.

7 Cross spoke 197

Cast alloy wheel, 18-inch size.

1 Roof railing

The ideal combination of form and function. Perfectly matched to the overall design of the BMW 3 Series Touring. Available in two black finishes and in satin-finish aluminium.

1 Chrome Line exterior

The front grille and the side window recess finishers on the BMW 3 Series Touring and Saloon are available in chrome.

1 Exterior trim in body colour

This trim option consists of door handles and roof drip mouldings in body colour. Available for the BMW 3 Series Saloon and Touring.

1 Rubbing strips

Protect the paintwork in the side door area when parking and manoeuvring. For the BMW 3 Series Saloon and Touring, rubbing strips are also available for the front and rear aprons (not shown). Available in black or body colour.

1 Fog lights

Throw a wider beam onto the road and also reduce reflective glare.

1 Exterior mirrors, heated

For driver's and passenger sides.

1 Radial styling 32

Cast alloy wheel, available in 16 or 17-inch sizes.

2 V-spoke 342

Cast alloy wheel, 18-inch size.

3 Radial spoke 196

Cast alloy wheel, 18-inch size.

1+2 M aerodynamic kit

The M front apron, M side skirts and M rear apron bring out the sporting pedigree of the BMW 3 Series. Available for certain models only.

3+4 Exhaust pipe finishers in chrome

The distinctive look of the exhaust pipe finishers accentuates the sporty appearance of the BMW 3 Series. A twin tailpipe version (Fig. 3) is available for models with a 6-cylinder engine, and an oval version (Fig. 4) for models with a 4-cylinder engine.

Alarm system (not shown)

Electronic monitoring system which responds to any unauthorized opening of the doors and engine/luggage compartments with acoustic and visual alarms. With remote control.

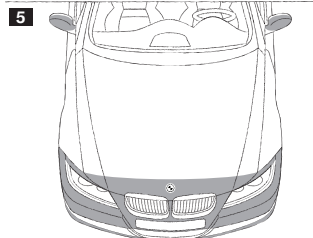

Wind deflector with printed design (see p. 24, Fig. 1)

Reduces air draught and turbulence in the passenger compartment. A folding mechanism ensures easy access to the rear seat bench. Also available without printed design.

Wing mirrors for trailer towing (not shown)

Vibration-free thanks to special holders attached to the vehicle's exterior mirrors.

➤ For more information about the entire range of exterior accessories, please see the BMW website.

5 Transparent paint protection films

Protect the paint against stone chips, scratches and damage caused by insects. Simple to apply. For the front section of the bonnet, front and rear bumpers, and exterior mirror caps. A special edge protector is also available.

6 Xenon headlights

Illuminate the road and the edge of the road clearly, evenly and over a broad area. Automatic headlight range adjusters included. Dipped and main beam headlights. Only available in conjunction with the headlight washer system. For BMW 3 Series Saloon and Touring models manufactured up to August 2008.

7 Suspension cross-brace

Stiffens the front end of the car, while also enhancing the look of the engine compartment.

8 Headlight washer system

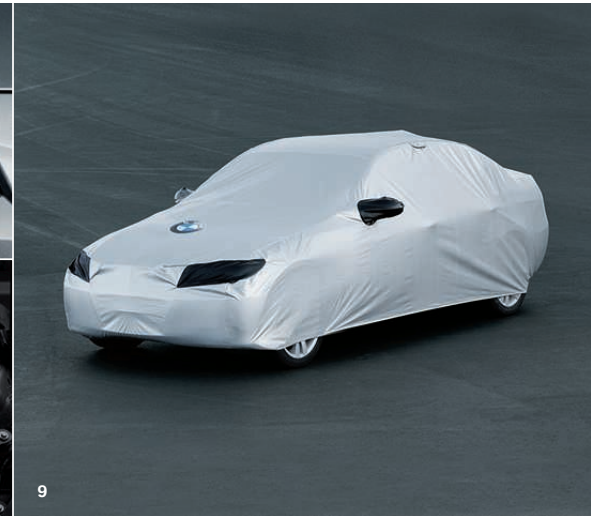

Clean headlights ensure that the road is optimally illuminated at all times.

Adaptive directional headlights (not shown)

Electromechanically controlled headlights perfectly illuminate every corner as soon as the driver steers into it. Available for BMW 3 Series Saloon and Touring models manufactured up to August 2008, and for the BMW 3 Series Coupé and Convertible.

9 Car cover

Easy to put on and take off, the washable BMW car covers are tailor-made for BMW 3 Series models. The silver-coloured outdoor car cover is not just heatproof, but water and dirt-repellent. There are two versions available – one for the windscreen and front windows only (not shown), and one for the whole car, featuring ventilation openings and the BMW logo. The indoor car cover (not shown) for the BMW 3 Series Convertible is made of an easy-stretch, antistatic material, and also features the BMW logo.

CREATE YOUR OWN ATMOSPHERE.

ORIGINAL BMW INTERIOR ACCESSORIES.

1 Interior trim strips in brilliant black

A distinguished addition to the interior. This option consists of interior trim strips for the dashboard, the centre console and the doors.

1 Decorative trim in brilliant black with chrome strips for leather-covered sport steering wheel

A perfect addition to the vehicle interior. The **chrome strips for the leather-covered sport steering wheel** are also available separately.

1 Leather-covered selector lever grip with decorative strip in brilliant black

An eye-catching detail for the interior of the BMW 3 Series.

1 Leather-covered handbrake grip with decorative strip in brilliant black

A stylish finishing touch to the elegant interior trim.

2 Decorative trim in titanium for leather-covered sport steering wheel

3 Decorative trim in leather for leather-covered sport steering wheel

Available in various colours.

4 Leather-covered steering wheel

5 Leather-covered gear lever knob with decorative strip in chrome

6 Leather-covered sport gear lever knob with decorative strip in brilliant black

Also available with a **decorative strip in chrome**.

7 Leather-covered selector lever grip with decorative strip in chrome

8 Leather-covered sport gear lever knob

9 M leather-covered handbrake grip

10 Interior trim strips in brilliant grey

11 Interior trim strips in longitudinally ground aluminium

1 Decorative trim in natural variegated poplar for leather-covered sport steering wheel

A decorative trim in **natural variegated poplar** is also available.

1 Multifunction option for steering wheels

2 Interior trim strips in grey variegated poplar
Also available in **natural variegated poplar**.

3 Interior trim strips in burr walnut

This elegant fine wood interior trim includes strips for the dashboard, centre console and doors.

4 Interior trim strips in light walnut

5 Handbrake grip in burr walnut
Also available in **natural variegated poplar**.

6 Leather-covered gear lever knob with decorative strip in natural variegated poplar
Also available with a **decorative strip in burr walnut**.

7 Leather-covered selector lever grip with decorative strip in burr walnut

Key holder (not shown)

Made of high-quality black leather, the key holder fits the keys like a glove. It protects against scratches, dirt and water splashes, and prevents the buttons from being pressed accidentally.

➤ For more information about the entire range of components available for the interior of your BMW 3 Series, please see the Accessories section of the BMW website.

8 Belt holder

Attaches quickly and simply to the headrest support bars, ensuring the belt is easily reachable in any sitting position.

9 Coat-hanger

Can be easily attached to the headrest and removed again.

10 Seat-back storage pocket

Containing compartments of different sizes, this storage pocket matches the dimensions of the front seats precisely, and can be fitted on either the driver or passenger side. It is the perfect place to store small items. Available in black and lemon.

11 Clean bag

This textile bag with a removable plastic liner can be attached to the nets on the seat backs in a matter of seconds.

12 Protective rear cover

This separable cover protects both the rear seat bench and door linings. It is water and dirt-repellent, and features openings for three-point belts, which also allow items such as the dog safety harness to be fitted.

13 Net for seat back

Provides additional storage space in the rear.

Sport seats (not shown)

Seat height, inclination and thigh support can be individually adjusted. The seat back width is also infinitely adjustable, and side bolsters hold the occupant firmly in place.

Sheepskin seat cover (not shown)

Provides outstanding fit and makes the perfect complement to the interior of the BMW 3 Series. Available in anthracite, beige or grey.

1 Sun screen

Quick and easy to mount. For the BMW 3 Series Saloon and Coupé, there is a rear windscreen roller blind which can be operated either manually or electrically, and a sun screen for the side rear windows. For the BMW 3 Series Touring, a sun screen is available for the rear windscreen and side windows. The sun screen is supplied with a space-saving bag for storage when not in use.

1 BMW junior seat II-III

Suitable for children weighing 15 to 36 kg (aged approx. 3 to 12 years). The seat can be quickly and easily secured in place with the three-point belt. The height of the seat and position of the headrest and side bolsters can be adjusted with one hand, and the seat offers outstanding lateral support. The adjustable backrest makes the BMW junior seat II-III perfect for long journeys, and the removable cover is machine-washable. Available in various colour schemes.

2 BMW baby seat 0+, with/without ISOFIX

Designed for children weighing between 3 and 13 kg (aged up to around 18 months). A seat reducer is included. The baby seat shell is mounted facing away from the direction of travel, either on the rear seat, or, provided the airbag is deactivated, on the front passenger seat. The shell can be detached from the reboard frame, and used separately as a carrycot. With detachable sun screen. Available in various colour schemes.

3 BMW junior seat I-II, with/without ISOFIX

Suitable for children weighing 9 to 25 kg (aged approx. 9 months to 7 years). The seat features a restraint cushion and a height-adjustable back. The use of the ISOFIX function is permitted for children weighing up to 18 kg. Children weighing more than this should be secured without the restraint cushion, using the seatbelt. Available in various colour schemes.

4 Stainless steel pedals

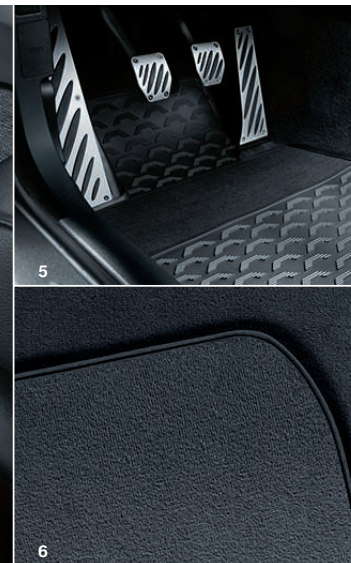

A stylish detail in the footwell.

4 City floor mats

Dirt-repellent, water-resistant and perfectly fitted. Available in anthracite or beige.

4 Door entry strips

In stainless steel, for front and rear. Available in illuminated and non-illuminated (not shown) versions. With BMW lettering.

5 Aluminium pedal pads

Sporty looks, and extra grip for the feet.

5 Aluminium footrest

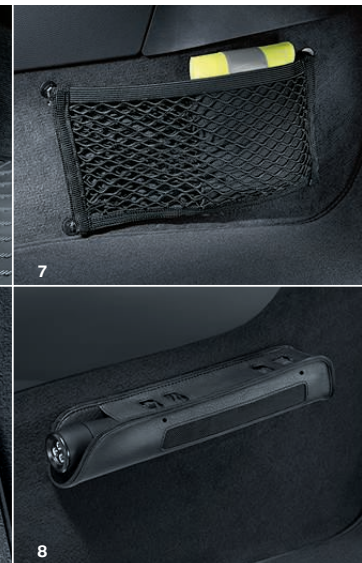

Adds a further bold touch in the footwell.

5 Rubber floor mats with textile inlay

Precisely fitted, dirt-repellent and water-resistant. Available in anthracite, beige or grey.

6 Velour floor mats

Precisely fitted, dirt-repellent and water-resistant. Available in anthracite, beige or grey.

7 Storage net in footwell

Mounted in the front passenger footwell on the opposite side to the door. Divided into two sections. Supplied with warning jacket.

8 BMW umbrella with LED torch

Stored in the front passenger footwell, the umbrella is easy to reach. Comes in a matching bag and has a removable LED torch integrated into the handle.

1

3

2

4

1 Storage compartment module

Offers two compartments one on top of the other which open forwards when pressed gently – for storage of smaller-sized objects. The optional skibag can be easily removed and replaced by the storage compartment module.

2 Armrest in front

Moveable, with built-in storage compartment.

3 Halogen reading lamp

Suitable for map reading. The bending arm allows you to adjust the light beam in any direction.

4 Smokers package

Comprises a cigarette lighter, and an ashtray built into the front of the centre console.

5 Multifunction rucksack

The multifunction rucksack offers 20 litres of extra storage capacity in the rear of the BMW 3 Series Saloon and Touring. It fits exactly onto the back seat, to which it can be attached by the central seat belt. Made of hard-wearing material, it boasts a wealth of features, including an insulated bottle holder. Its comfortable straps mean that this capacious rucksack is also suitable for use outside the car.

6 Coolbag

CFC-free electric cooler which chills its contents to approx. 20°C below the temperature inside the vehicle. Capacity: 14 l.

7 Rear-view mirror with automatic anti-dazzle function

Automatic anti-dazzle function operates when light from vehicles travelling behind strikes the mirror. With a digital compass, which indicates the current direction of travel on a 45-degree scale, and with a universal remote control, which activates such devices as garage door openers, alarms or door locking systems at the touch of a button. Also available with compass only.

8 CD/DVD storage sleeve

For easy attachment to the sun visor. Holds seven CDs or DVDs.

9 Shoe case

Can quickly and easily be stored behind the front seats. With compartments for two pairs of shoes.

Independent heating (not shown)

Generates comfortable warmth inside the vehicle before you start a journey in the winter months. During the startup phase the engine is protected and fuel consumption reduced by the preheated cooling circuit. Depending on the car's equipment, the heating can be activated using either the control display, Professional radio or multifunction clock, or alternatively via ThermoCall and remote control.

Seat heating in front (not shown)

The seat surface and back begin warming up a short way into your journey. Three switch settings allow variable heating. Available for the BMW 3 Series Saloon and Touring.

GET THE FULL PICTURE.

ORIGINAL BMW COMMUNICATION AND INFORMATION ACCESSORIES.

1 BMW Portable Navigation System Pro

Fits in your pocket, and designed for use both in and outside the car. The high-resolution 4.3-inch touch screen display offers 2D and 3D map views. The BMW Portable Navigation System Pro comes with pre-installed maps covering Turkey plus 42 countries in Western and Eastern Europe.* A direct Internet connection gives users access to online services such as weather reports, news bulletins, traffic updates and Google™ searches, all free of charge for the first year. When working out routes, it uses the TMC Pro subscription congestion warning service, which identifies the build-up and easing of congestion faster than ordinary TMC services. And features such as voice output via the vehicle loudspeakers, eco Route to calculate the most economical routing, 3D junction views, pedestrian navigation, lane assist, and a Bluetooth hands-free kit all come as standard. A special holder built into the dashboard supplies the Portable Navigation System Pro with electricity and ensures it blends seamlessly into the interior.

BMW Portable Navigation System Plus (not shown)

Just 8 millimetres thick and featuring a touch-sensitive 4.3-inch glass screen, the BMW Portable Navigation System Plus sets new standards in design. A special holder built into the dashboard supplies the device with electricity and ensures it blends seamlessly into the interior of the vehicle. Thanks to pedestrian navigation, it is equally useful when you are on foot, with automatic screen orientation adjustment allowing you to hold it vertically like a mobile phone. Bus and rail maps can be installed on the device as an option. The Portable Navigation System Plus also stores data on historical traffic flows, allowing it to calculate the fastest route for the time of day. And features such as voice output via the vehicle loudspeakers, eco Route to calculate the most economical routing, lane assist, 3D junction views, and a Bluetooth hands-free kit all come as standard.

* Maps for other countries also available.

2 Rear View Camera

Ensures maximum safety when reversing. A wide-angle 131-degree camera is mounted in the luggage compartment lid, and whenever reverse gear is selected, the images from this camera are shown on the control display.

Digital roadmaps (not shown)

Up-to-date digital roadmaps enable the navigation system to work out the best route in no time at all.

3 Park Distance Control

Makes parking and manoeuvring in tight spaces much easier. The distance between obstacles 1.5 metres or less away from the car is communicated by an acoustic warning and, depending on the other equipment fitted, may also be shown visually. Two versions available.

➤ For more information about BMW driver assistance systems, please see the Accessories section of the BMW website.

1 Snap-in adapter

A safe and secure docking system for current Apple, Nokia, Motorola and Sony Ericsson mobiles, and RIM BlackBerry® devices. The snap-in adapter is phone-specific and easily interchangeable. In conjunction with the Bluetooth interface, it enables you to charge the mobile phone battery. An external aerial improves reception.

2 Basic Bluetooth hands-free kit

For common Apple, Nokia, Sony Ericsson and Motorola mobiles, and RIM BlackBerry® devices. Allows drivers to make and receive calls easily and safely even when on the move. The connection between the handset and the hands-free kit is established wirelessly via Bluetooth. Voice output through the hands-free kit can be activated via the multifunction steering wheel, radio, iDrive controller or voice control. Telephone numbers and incoming caller IDs are shown on the radio and/or control display.

3 BMW Bluetooth headset

A lightweight headset that can be worn on either ear. A Bluetooth connection to the mobile phone enables users to talk on the phone safely and easily in the car, at home and in the office. Excellent sound quality, battery life of up to five hours, and ear buds in three different sizes ensure it can be used anywhere and by anyone. Key phone functions such as accepting and ending calls and volume adjustment can be controlled via a button on the headset. Can be worn in conjunction with glasses.

4 TV function

The 8.8-inch display can be used as a TV when the vehicle is stationary. It can receive both analogue and digital (DVB-T) terrestrial channels (only in conjunction with the Professional navigation system).

5 Infrared stereo headphones

Specially designed for use with the BMW Tablet DVD system (Fig. 6). They are exceptionally comfortable, while delivering outstanding sound quality, and allowing wearers to control their listening volume.

6 BMW Tablet DVD system

Consists of two portable seven-inch monitors, plus two holders that are attached to the headrest support bars. The DVD system can be plugged in to the vehicle's 12-volt power socket. The DVD player, which is built into one of the two monitors, can play video DVDs, and photo and audio CDs (including MP3 format). In addition, JPEG images and music files on USB sticks and memory cards of various formats can be viewed or listened to. The portable monitors can also be used outside the vehicle. Audio playback is via either the monitors' built-in loudspeakers, or headphones such as the infrared stereo headphones from BMW.

1

1 ALPINE hi-fi system

Significantly improves audio performance, giving a more detailed sound, with crystal-clear treble and powerful bass. The high-performance four-channel class-D amplifier has an output of 4 x 80 W (RMS). Two channels drive the pair of mid-range/treble speakers with aluminium membranes in the front, and two channels drive the bass speakers under the front seats. The ALPINE hi-fi system also has vehicle-specific audio crossovers. Easy to install, with no change to the original loudspeaker positions. Compatible with all iPod interfaces.

2 iPod interface

Enjoy all your favourite music on the road. The interface connects the iPod™ directly to your vehicle's audio system: playlists and artist, song and genre information can be viewed on the control display or radio, and music can be selected using the iDrive controller, the multifunction steering wheel or the radio. The iPod™ is stored securely in the glovebox, and the battery is charged during playback through the vehicle's electrical system.

USB charger (not shown)

Plugs into the cigarette lighter. Electronic devices, such as mobile phones, iPods™ and digital cameras, can be charged easily via the built-in USB connection. Different USB charging cables are available if required.

2

3

4

5

6

7

8

3 iPod adapter cable

Enables an iPod™ to be connected to the audio system via the USB audio interface.

Aux connector cable (not shown)

With gold-plated 3.5-mm jack plug. Two lengths available.

4 USB audio interface

Allows the connection of an external audio device such as a USB stick or MP3 player.

5 Cruise control

Keeps the car moving at a speed set by the driver (from approx. 30 km/h upwards). Can be deactivated either manually, or by touching the brake. The set speed can be resumed at the touch of a button.

6 Voice input system

Voice input for the Professional navigation system makes life easier for the driver, enhancing safety, convenience and ease of use.

7 CD changer

Fitted in the luggage compartment to save space. For six CDs.

8 BMW USB stick

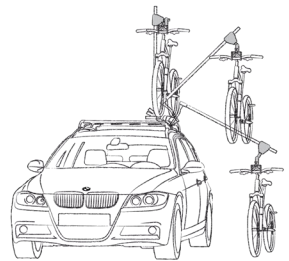

Memory capacity of 8 GB. With the BMW logo.

SOLUTIONS TO MEET EVERY NEED.

ORIGINAL BMW TRANSPORTATION AND LUGGAGE ACCESSORIES.

2

1 Bicycle holder for trailer tow hitch, lockable

Winner of the red dot award for innovative product design. Simple to use and easy to fit, with no tools required. The bicycle holder and bicycles are secured against theft. It can carry up to two bicycles, and an extension set for a third bicycle is also available. It can be lowered out of the way when you want to open the tailgate.

2 Bicycle lift

Allows a bicycle to be effortlessly lifted onto the roof rack and removed again. Suitable for different bicycle sizes.

3 + 4 BMW base support system, lockable

Maximum permissible roof load: 75 kg. The base support arms are made of high-strength aluminium tubing. The BMW base support system with anti-theft locks complies with the most stringent safety requirements. A different version of the BMW base support system is available for BMW 3 Series Touring models with a roof railing manufactured from March 2010 onwards. Also available for cars without a roof railing.

3 Touring cycle holder, lockable

Robust attachment for transporting a bicycle with a frame diameter of 25 to 80 mm, also suitable for mountain bikes. A single locking set for fitting up to four touring cycle holders on the base support system is available.

4 Racing cycle holder, lockable

Suitable for bicycles with quick-release skewers on the front wheel. A holder for securing the front wheel to the base support system is also available.

Rear-mounted carrier, lockable (not shown)

Allows two bicycles to be transported. An attachment for snowboards and skis is also available. Even when items are being carried on the rear-mounted carrier, the tailgate can still be opened. Available for the BMW 3 Series Convertible and Coupé.

1 Surfboard holder

With board supports made of impact-resistant plastic, a built-in mast carrier, strap eyelets and tensioning straps.

1 - 6 BMW base support system, lockable

2 Ski and snowboard holder, lockable

Suitable for carrying two snowboards and two pairs of skis, or up to six pairs of skis. Poles can also be carried.

2 Raised carrier bars

For the BMW ski and snowboard holder. Increases the distance between the ski bindings and the roof by 25 mm.

3 Luggage rack

High load-carrying capacity. Made of lightweight, high-strength aluminium.

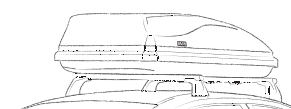

4 Universal holder

Provides secure support even for large, bulky items. Consists of four infinitely adjustable holders, four strap eyelets and two tensioning straps.

➤ For more information about the entire range of transportation and luggage solutions, please see the BMW website.

5 BMW roof box 460, LxWxH: 230 x 82 x 37 cm

BMW roof box 350, LxWxH: 140 x 90 x 39 cm

BMW roof box 320, LxWxH: 225 x 55 x 37 cm

5 + 6 BMW roof boxes

Available in three sizes: 460 l (see Fig. 6), 350 l and 320 l. Easy to load, thanks to an innovative system that opens from both sides (roof boxes 460 and 350). Features anti-theft triple central locking.

Ski rests in roof box (not shown)

Available for BMW roof boxes 460 and 320.

Universal lift and adapter for roof boxes (not shown)

The simple way to fit and remove all BMW roof boxes. Helps to save space by storing the roof box under the garage roof.

7 Skibag

For simple storage of skis. Can be loaded from the luggage compartment, through an opening in the rear seat bench. When the skibag is not in use, it can be stowed away out of sight behind the centre armrest in the rear to save space.

8 Trailer tow hitch

Depending on the model, the trailer tow hitch is approved for trailer weights of up to 1,800 kg, with a nose weight of up to 75 kg. With trailer stability control. Available with fixed, removable and swivel-mounted tow ball.

1

4

1 Rear holdall

The rear holdall provides extra storage space on the rear seat bench of the BMW 3 Series Convertible, and can be securely fastened in place when the rear seat backs are folded down. Made from hard-wearing waterproof material. With carry handles. Folds up to a manageable size.

2 Segmented storage compartment

Underneath the luggage compartment floor. Enables safe storage of objects of all different sizes thanks to variable plug-in elements.

3 Luggage compartment tie-down straps

Two tear-resistant tie-down straps secure items in the luggage compartment quickly and safely. Available with two different fastening mechanisms.

4 Luggage set

Specially designed for the BMW 3 Series Convertible. Includes two trolley cases in different sizes, and two attaché cases. All the cases in the luggage set will fit under the wind deflector of the BMW 3 Series Convertible, and can be securely fastened in place when the rear seat backs are folded down.

5 Collapsible box

Waterproof, quick to assemble, and held together with Velcro-type fasteners. Can be stored in the segmented storage compartment. For loads of up to 20 kg. Available in three different sizes.

2

5

3

6 Luggage compartment floor net

Secures objects of varying sizes quickly and safely. Available for securing to existing eyelets or to the fastening points of the insert plate.

7 Luggage compartment mat, fitted

Non-slip, precision-fit mat made of durable plastic. Oil and solvent-resistant.

6

7

8 Loading sill protective mat

This padded non-slip mat folds out over the loading sill to protect it against damage. It also provides a place to sit.

9 Luggage compartment tray

Shatterproof, acid-proof and impact-resistant. The tray fits precisely into the luggage compartment floor.

8

9

10 Boot sill protector

This transparent film protects the bumper around the loading sill when the vehicle is being loaded/unloaded.

11 Protective bootspace cover

Separable protective cover for the bootspace or the whole luggage compartment. Available for the BMW 3 Series Touring.

10

11

1 Anti-slip mat

Precisely fitted to the available space, the mat stops objects from sliding around.

2 Luggage net

Secures smaller-sized objects to the luggage compartment panel.

3 Luggage compartment grille partition

Black, anodized metal grille. Mounted behind the rear seat bench to secure items in the luggage compartment. For the BMW 3 Series Touring.

Dog safety harness (not shown)**4 Luggage compartment mat, reversible**

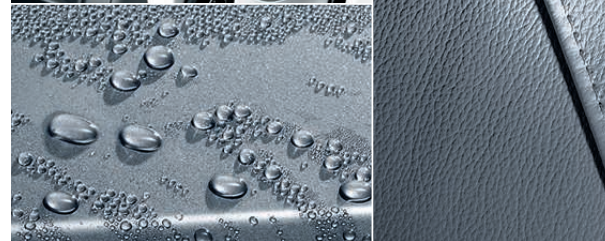

Can be used either way up. Features one velour and one anti-slip plastic surface. For the BMW 3 Series Touring.

5 Driver Utility Set

Two versions available.

Battery charger (not shown)**Car jack set (not shown)****First aid kit (not shown)****Ice scraper/windscreen cleaner (not shown)****Jump leads (not shown)****Mobility kit (not shown)****Powder-type fire extinguisher (not shown)****Tow bar/tow cable (not shown)****Warning jacket (not shown)****Warning triangle (not shown)**

FOR SPARKLING RESULTS. ORIGINAL BMW CARE PRODUCTS.

With Original BMW Care Products, it is easy to keep your BMW looking great for longer. Use BMW hard wax with nano-technology to effectively protect your vehicle's paintwork, or the leather preserving set with UV protection to ensure your BMW stays as good as new. Other surfaces, such as glass, plastics and textiles, can also be gently yet effectively cleaned with BMW Care Products. All products are suitable for use with lots of different materials and are very easy to use.

As well as the existing selection of cleaning products, BMW now offers a new range called Natural Care. These products are sustainable and environmentally friendly in every way – they are sourced from natural raw materials, manufactured using energy-efficient processes, safe to use, and come with recyclable packaging. The new range consists of six products: car shampoo, car polish, car wax, windscreen wash concentrate, glass cleaner and interior cleaner. Natural Care products are primarily made from natural-source raw materials, such as tensides and bioalcohol from sugar beets, carnauba wax and linseed oil. Natural Care is all about combining sustainability with high product quality.

To find out more about Original BMW Care Products, please see the Accessories section of the BMW website.

BMW PERFORMANCE. ORIGINAL BMW ACCESSORIES.

JOY IS THE VITAL COMPONENT.

Choosing a BMW means choosing sporting performance, outstanding driving dynamics and innovative technology, because these are the principles that we're not prepared to compromise on – principles that reach their full expression in the BMW Performance range. In creating these products, the BMW engineers and designers consciously took their inspiration from the company's experiences and achievements in the world of motorsport. For more information about BMW Performance accessories, and to request a brochure, speak to your BMW Service Centre.

Find inspiration on the BMW website. In the Accessories section, you can check out more illustrations and detailed information about the full range of Original BMW Accessories.

JOY IS KNOWING THAT YOU ARE IN GOOD HANDS.

To ensure your BMW performs at its best every day, your BMW Service Centre does much more than just give you advice on which Original BMW Accessories to choose and offer a professional fitting service.

BMW TeleServices – your BMW automatically informs you when it's due for a trip to one of our 3,300 BMW Service Centres. The on-board Condition Based Service system tells you of any upcoming maintenance and servicing required, and BMW TeleServices* communicates this information to your BMW Service Centre. A service employee will then ring you to make an appointment. The BMW Service Centre keeps a full range of Original BMW Parts in stock – so it's able to repair any problems quickly and effectively. In short, quality and safety are at the heart of everything we do.

BMW Service Inclusive – you pay a fixed price, and depending on the package you choose, routine maintenance, wear-and-tear repairs and even out-of-warranty repairs are covered for a defined time period or mileage.

BMW Mobile Service – a breakdown service from BMW which, in the unlikely event of a breakdown, is on call any time, day or night. The BMW TeleService diagnosis* transmits all the relevant details to BMW Service headquarters. This allows a BMW Service specialist to identify the problem so that they can help you to resolve the issue yourself, send a BMW breakdown recovery vehicle to your assistance, or fix the problem remotely using the BMW TeleService help.*

For more information on BMW Service, please contact your BMW Service Centre or visit www.bmw.com/service

BMW SERVICE.

* BMW TeleServices are available in all BMW vehicles with the exception of the BMW X3. However, the optional Bluetooth mobile phone interface (option 633 or option 644) must be fitted and, on certain models, the BMW Professional radio in conjunction with the control display (BMW Business navigation system (option 606) or the Professional navigation system (option 609)) must also be fitted.
